Give.

The workplace campaign is the easiest way to invest in your community. Your gift to the United Way is a powerful investment in improving lives in our community.

Advocate.

United Way needs people like you — people with strong voices and a desire for change. You can make change happen with your voice. Get informed. Tell your friends. Champion a cause.

Volunteer.

Volunteers are a crucial resource of nonprofits. United Way's Volunteer Center and our website, www.unitedwaynwmi.org, helps not only those organizations needing volunteers, but also those community members in search of volunteer opportunities.
